¹ This is a summary; refer to official legislation for detailed information

² Prior to dispensing methadone, refer to the **Methadone Maintenance Treatment (MMT) and Dispensing Policy** available at <http://www.ocpinf.com/regulations-standards/policies-guidelines/methadone2/>

³ Prescription and Dispensing Record Requirements are set out in the *Controlled Drugs and Substances Act* (CDSA), the *Food and Drugs Act* (FDA), the *Drug & Pharmacies Regulation Act* (DPRA) and the *Narcotics Safety & Awareness Act* (NSAA) and their respective regulations

⁴ Per the NSAA, requirements apply to all controlled substances (as defined in the CDSA) and any drugs in the Monitored Drugs List as set out by the Ministry of Health and Long-term Care

⁵ A logged prescription is a new, unfilled prescription that is entered into the patient record ('on hold') and may be dispensed at a later time

⁶ Purchase & Sales Record requirements are set out in the CDSA and the Drug Interchangeability and Dispensing Fee Act (DIDFA) and their respective regulations
