Notice of Special Council Meeting

This is to notify that a special meeting of Council will be held by teleconference on Thursday November 24, 2016 between 11:00 a.m. and noon in order that Council can ratify the Search Committee's recommendation for a new Registrar.

Since this is a personnel matter, the meeting will be held *in camera*.

A notification of the new appointment will be provided to stakeholders through the College's website.

Thank you.
