of Pharmacists**

Putting patients first since 1871

## **Request for Removal of Information from the Public Register Application Form**

Members who wish to request the removal of information from the public register should review the College's *Policy on Requests for Removal of Information from the Public Register subsequent to Section 23(7) of the Health Professions Procedural Code* before completing this application. Requests for removal will not be considered by the College for one year following a previous unsuccessful application for removal of information.

**Member Name:**

**OCP Number:**

**Mailing Address:**

**Email Address:**

**Please describe the information you wish to have removed from the register. Please do not exceed 1,000 words.**

**Date of the information (e.g. finding):**

**Date of posting/notation (if known) of the information on the Public Register that you are requesting to be removed:**

**Please describe why you believe this information should be removed from the public register, keeping in mind the principles expressed in the College's *Policy on Requests for Removal of Information from the Public Register*. Please do not exceed 1,000 words.**

**If you have additional evidence or materials to support your application, you may attach them to the application.**

**The complete application can be submitted to [memberapplications@ocpinfo.com](mailto:memberapplications@ocpinfo.com). The outcome of the request will be communicated by email within 120 days of receipt of the request.**
