

Declaration of Good Character, Code of Ethics and Declaration of Commitment

Regulated health professionals are expected to practice ethically and competently to protect the public interest. Section 4(1) 2-4; and 6 of the [Registration Regulation](#) addresses requirements with respect to applicant past and present conduct, character and competence.

Each applicant must complete a declaration of good character when applying for a certificate of registration as a student, intern, pharmacist or pharmacy technician.

Guidance for Completion of the Declaration Questions

Definitions have been provided to assist you in completing the declaration questions that follow. Please hover over the bolded terms for further information and carefully read and confirm your understanding of this information before you submit the declaration. Please review the [minor offences policy](#) for additional information before answering the questions.

Answering yes to a question does not necessarily mean you will be unable to pursue registration with the College - all of the circumstances will be considered individually. If in doubt, it is safer to report a concern than to risk failing to disclose information.
